
Business Plan

Remember: you can only use the resources (objects and materials) inside the classroom

Name of business:

Product: What are you selling?

Customers: Who will buy it?

How is your product made or acquired?

How does your business help people?

How does your business contribute to the overall well-being of the classroom?

How much does your product cost?

How will customers learn about your business?

How will you divide the profit (money earned) among your business owners?

When will you consider your business to be successful?

We will be successful when we have sold ____ number of products

We will be successful when we make \$____

We will be successful when we have sold the product to ____ number of people (customers)
