

Lamprey vs. Salmon

Study the pictures of a lamprey (first picture) and salmon (second picture) below. For each, write down some things you notice about it.

	<p>What do you notice?</p>
	<p>What do you notice?</p>

How are the lamprey and salmon *similar*? How are they *different*?
Record your thoughts in the Venn diagram below

Lamprey vs. Salmon (Labeled)
