Sacred Space Assignment
Elementary US History: Encounter, Colonization, and Devastation

Directions: You have talked about in class about what makes places important to people. In many cultures, including North American tribal cultures, these places are sometimes referred to as a *sacred space*. You will create a map of your sacred space. Follow these steps:

1. List six places that are very, very important to you:

_____	_____
_____	_____
_____	_____
_____	_____

2. In the box below, list the reasons *why* this place is so special to you. You will cut this description out and attach it to your map when you are finished.

My sacred space is _____ . It is very special to me, because:

1. Draw a map or picture of the place on a piece of paper no larger than _____ .
2. Do your best work. Your map should be...
 - a. Colorful
 - b. Beautiful
 - c. Meaningful
 - d. Show that you really care about the space
