

TAKELMA FAMILY LANGUAGE LESSONS

Colors

Lesson Focus and Goals

This lesson focuses on the 12 colors in Takelma, following the Colors Primer book.

Materials Needed

- Colors PDF
- Colors Class Videos
- Colors e-book
- Colors Takelma Primer

(all materials/links to the materials can be found here on the site)

Learning Objectives

Students will be able to:

- say the 12 colors in the Takelma Colors Primer
- recognize the colors when heard
- read the color words (those who can already read English).

Structure / Activity

1. Watch the Colors Class Videos.
2. Go through the e-book. Practice the words by re-listening to the audio provided, and continuing to read through the book until you know the words
3. Print out the PDF. Cut out the flashcards. Use the flash cards to practice the sentences.
4. Continue to practice these words to keep them in your vocabulary!

Additional Practice Activities

1. Teach someone you know the colors. Use the materials such as the book and printed PDF.
2. Use the printed out colors as labels for your house. Find something "blue" and put the word for blue on it.
3. Paint a picture, use Takelma color words to describe what you are painting!
