

COW CREEK YOUTH DRUMMING PRACTICE

## EXPANDING HORIZONS & STEAM

Science, Technology, Engineering, Arts and Math opportunities are offered throughout the school year and summer program. Drone, robot, and rocket instruction provided several times a year.

Yearly diabetes and cancer prevention cooking class, hosted by Cow Creek Dietitians.

EHYC works in partnership with Tribal Attendance Promising Practices staff.

Tribal Attendance Promising Practices

# REGISTRATION

Open for all Tribal Youth

Registration packets are available for pick up at the Center or via email.

Parents are encouraged to bring their children to the registration visit. A tour of the center will be provided before you choose to enroll.

An enrollment packet must be completed and submitted to staff before your child attends their first day at the Center.

# WHAT THE EXPANDING HORIZONS YOUTH CENTER OFFERS

## Activities for Youth Grades 3-12

The Center provides a nutritious snack and meal for after school participants. An education session is required of each student daily.

Staff will provide a learning activity when needed. Tutoring by staff and higher grade peers is available to assist with homework.

Staff communicates with teachers in our local schools to help provide a plan for each student needing extra assistance.

Our students have access to numerous laptops and computers with Wi-Fi to support their learning needs. Positive social interactions are modeled by staff and other peers in the Center. Cultural and STEAM activities along with an array of art and cooking projects are provided each day.

**There is no cost to families for membership or any of the activities provided.**

## Transportation Provided

At this time, EHYC staff transports students from Coffenberry Middle School, Canyonville, Tri-City Elementary, and Myrtle Creek Elementary School in a 15-passenger van provided by the Cow Creek Tribe. Transportation from South Umpqua High School is provided by First Student busses. Arrangements can be made from Riddle and Days Creek Schools as needed.

**OPEN MONDAY THRU THURSDAY FROM 2:15-6:00 (1:30 FOR EARLY RELEASE WEDNESDAYS).**

## Learning Continues Beyond the Center

The Expanding Horizon Youth Center helps Tribal youth achieve their own personal academic success, while building strength and resiliency for the future.

Weekly raffle drawings for students who complete homework with quarterly "Big Ticket" prizes!

*Fun Times*

The EHYC has a playground with basketball court, picnic tables, and an Xbox One for students to enjoy after their education time is completed.

We also have a number of STEAM Activities, such as Sphero bolt robots, vinyl cutting machine, and 3d pen available daily.

**A CALENDAR OF SUMMER EVENTS IS AVAILABLE JUNE TO AUGUST**

**Stop by and pick up yours today.**
