

Tuesday, June 16-Thursday, June 18

Watershed Science

This three-day camp will include steelhead viewing and a dip in the Steamboat Falls. Hikes will be led by Umpqua Watersheds and the Umpqua Natural Science Leadership Hub.

Tuesday, June 23-Thursday, June 25

Physical Fitness

During this three-day camp, we will learn the basics of movement and dance, visit DEFY trampoline park in Eugene, and the UCC pool.

Tuesday, June 30-Thursday, July 2

Robotics

UCC Professor Vincent Yip will return for a special offering of LEGO Robotics. This three-day camp will introduce students to the basics of programming.

Tuesday, July 7-Thursday, July 9

Cooking & Gardening

This three-day camp will explore gardening and cooking with vegetables and herbs from the school garden.

Tuesday, July 28-Thursday, July 30

The Art of Gaming

During this three-day camp, we will learn about cartooning and bring cartoon drawings to life using animation.

Tuesday, August 4-Thursday, August 6 Camping

Join us for a three-day, two-night excursion to Vesper Meadow native plant restoration site and camping at The Crest at Willow Witt Ranch near Ashland.

Tuesday, August 11-Thursday, August 13

Huckleberry Jam-Making

Learn how to harvest, process, and make huckleberry jam over this three-day camp, including a visit to Huckleberry Gap.
